According to the records of the Comptroller of Public Accounts, the following exemption(s) from Texas taxes apply to the above organization(s):

Sales and use tax, as of 12-01-1994
(provide Texas sales and use tax exemption certificate Form 01-339 (Back) to vendor)
The entity is not exempt from hotel occupancy tax.

Texas taxpayer identification number: 32002701996

This exemption verification is not a substitute for the completed exemption certificates that are required when claiming exemption from Texas taxes. Vendors should be familiar with the requirements for accepting the certificates in good faith from their customers.

This exemption verification does not mean that the organization holds a permit for collecting or remitting any Texas taxes.

I, the purchaser named above, claim the right to make a non-taxable purchase (for resale of the taxable items described below or on the attached order or invoice) from:

Seller: _____

Street address: _____

City, State, ZIP code: _____

Description of items to be purchased on the attached order or invoice:

Description of the type of business activity generally engaged in or type of items normally sold by the purchaser:

The taxable items described above, or on the attached order or invoice, will be resold, rented or leased by me within the geographical limits of the United States of America, its territories and possessions or within the geographical limits of the United Mexican States, in their present form or attached to other taxable items to be sold.

I understand that if I make any use of the items other than retention, demonstration or display while holding them for sale, lease or rental, I must pay sales tax on the items at the time of use based upon either the purchase price or the fair market rental value for the period of time used.

I understand that it is a criminal offense to give a resale certificate to the seller for taxable items that I know, at the time of purchase, are purchased for use rather than for the purpose of resale, lease or rental, and depending on the amount of tax evaded, the offense may range from a Class C misdemeanor to a felony of the second degree.
